You Subject: Formal Refund Demand – Order #
CS3814539825 – Consumer Guarantees Act 1993

To McAfee Customer Relations,

I am writing to formally demand a full refund of
NZ\$129.95 in respect of my McAfee LiveSafe™
Unlimited Devices subscription, Order #
CS3814539825, purchased 19 March 2026 on
account quality@outlook.co.nz.

GROUND FOR REFUND

Your product is not fit for purpose within the
meaning of section 8 of the Consumer
Guarantees Act 1993 (NZ). The VPN component

fails to open and, when installed, blocks all internet connectivity on my device. This renders the product unfit for the purpose for which it was sold.

On 4–5 June 2026 I engaged McAfee support for over two hours, including a remote-access session , which ended without resolution. The VPN fault was not remedied.

FURTHER, during our live chat session on 5 June 2026 at approximately 12:14 AM, your agent Yeral explicitly confirmed: "I will process the refund now. The total amount, including taxes and fees, is 129.95 NZD." This confirmation was then reversed three minutes later on the basis of your internal refund policy window.

Your refund policy window is not a valid basis for declining this claim. The Consumer Guarantees Act 1993 is New Zealand statute and overrides any supplier policy. A failed remedy attempt has already been made. I am entitled to reject the goods and obtain a full refund.

DEMAND

I require full payment of NZ\$129.95 to my original payment method within 5 working days of this email.

If payment is not received within that timeframe, I will without further notice:

1. Initiate a chargeback with my card issuer, supported by the full chat transcript;
2. Lodge a complaint with the Commerce Commission; and
3. File a claim in the Disputes Tribunal if required.

I trust this will not be necessary.

Stephen Douglas

McAfee Agent Let me explain briefly. Your subscription is eligible for a refund within the first 60 days after payment . May 19, 2026, was the last valid day to request one. Did you contact us within that period?

You no but i uninstalled McAfee for a week because it started then and did not have time to deal with it until today

06/05/2026 01:20 AM GMT

You I understand what you refund policy says but the law is clear in New Zealand if a product do not work then i am entitled to a refund

06/05/2026 01:21 AM GMT

McAfee Agent I understand, thank you for the clarification. To make sure you don't leave empty-handed, I'll escalate the case to the refunds department.
